COOKIE NOTICE

This notice specifically explains how we deploy and administer cookies on our website www.3Commas.com (the „Site"), as well as the options you have to control them. For further information on how we process your personal data, see our *Privacy Notice.*

What are cookies?

Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser. They are widely used to remember you and your preferences, either for a single visit ("session cookie") or for multiple repeat visits ("persistent cookie"). They ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in. Cookies may be set by the site that you are visiting ("first party cookies"), or by third parties, such as those who serve content or provide advertising or analytics services on the website ("third party cookies").

The types of cookies we use

Required cookies

These are necessary cookies, without which the Site won't work properly or be able to provide certain features and functionalities. Some of these may be manually disabled in your browser, but may affect the functionality of the Site.

Preference cookies

Preference cookies are used to recognise repeat visitors to the Site. We use these cookies to record your browsing history, the pages you have visited, and your settings and preferences each time you visit the Site.

Analytical cookies

Analytical cookies monitor how users reached the Site, and how they interact with and move around once on the Site. These cookies let us know what features on the Site are working the best and what features on the Site can be improved.

Marketing cookies

Marketing cookies are placed on your computer by advertisers and ad servers in order to display advertisements that are most likely to be of interest to you. These cookies allow advertisers and ad servers to gather information about your visits to the Site and other websites, alternate the ads sent to a specific computer, and track how often an ad has been viewed and by whom.

Controlling cookies

Where you have consented to our use of cookies through the consent banner, apart from necessary cookies, you consent to our use of cookies as per this policy. You may at any time change or withdraw your cookie consent by clicking a shield icon on our website, which opens cookie consent banner.

Most browsers provide for ways to control cookie behaviour such as the length of time they are stored – either through built-in functionality or by utilizing third-party plugins.

If you would prefer to opt out of cookies, you should be aware that you might lose some features and functionality of the website. Cookies, including those which have already been set, can be deleted from your device. You can also change the preferences in your web browser to control cookies. Some internet browsers have a „Do Not Track" or „DNT" setting - this sends a signal to websites asking them not to track your browsing.

For more information on how to control cookies, check your browser or device's settings for how you can control or reject cookies, or visit the following links:
